40 Days to Peace Daily Devotions

Friday 8th May 2020 will mark the 75th Anniversary of V-E Day, the end of the second world war in Europe. The Soldier's & Airmen's Scripture Readers Association have produced a daily devotional "40 Days to Peace" available at no cost. The 40 days run from 1st April 2020-10th May 2020. Each day has a reading, devotional thought and follows the events that took place 75 years ago. Please speak to David or Rachel if you'd like a free copy (samples are available at the back).

Choral Society Concert Cancelled

Unfortunately the planned Choral Society Concert on Saturday 4th April has had to be cancelled.

Activities for children

In the coming week, we are hoping to upload some materials to the website for children to fill the gap left by Rockets, Ignite and Sunday Club. If you have children then do check in on the website towards the end of next week.

Bible talks on website

You may not be aware that all David's weekly Sunday sermons are recorded and uploaded to the website. If you're looking for something to do over the next few weeks and months, why not listen back over some of the sermons series' from the last couple of years.

Church Opening Times

The church will be open daily from 10am to 12noon for private prayer, but we do ask that you maintain a suitable distance from anybody making use of the church for this purpose.
